Serial No. 08/820,374 :
Filed March 12, 1997 :

METHOD FOR FORMING LOWER ELECTRODE OF CAPACITOR

**PETITION TO WITHDRAW IMPROPER HOLDING
OF ABANDONMENT**

Honorable Commissioner For Patents
Washington, D.C. 20231

Sir:

Applicants respectfully request that the holding of abandonment of the above-identified application be withdrawn. The facts related to this petition are as follows:

- (1) On March 12, 1997, the application was filed with instructions to direct all correspondence to Samsung Electronics, Co., Ltd., 1200 New Hampshire Avenue, N.W., Suite 150, Washington, D.C. 20036.
- (2) On November 5, 1997, Applicants filed (a) an Associate Power Of Attorney, and (b) a Change Of Attorney or Agent's Address In Application. Copies of these papers are enclosed, together with a copy of a returned postcard receipt.

- (3) On August 25, 2000, Applicants filed a Status Check, a copy of which is enclosed, together with a copy of a returned postcard receipt. Applicants' attorneys have no record of ever receiving a response to this Status Check.
- (4) On November 14, 2002, the undersigned telephoned the Patent Office in an effort to ascertain the status of the application. The undersigned was informed that the application was abandoned on May 17, 1999. The undersigned was further informed that the correspondence address presently of record is the original Washington, D.C. address, and not the new Reston, VA address specified in the Change Of Attorney or Agent's Address In Application.

It appears that the request contained in the Change Of Attorney or Agent's Address In Application was not properly processed by the Patent Office, and as a result, Applicants never received a subsequently issued Office communication¹.

¹ Applicants do not have a copy of the Office communication, and Applicants do not know the date of issuance of the Office communication. If the Office communication issued prior to the filing of the request for a change of address, Applicants respectfully request that the copy of the Office communication and references (if any) be immediately forwarded to the undersigned so that a petition under 37 CFR 1.137 can be promptly filed.

It is therefore requested that the holding of abandonment be withdrawn, and that any Office communications issued after Applicants request for a change in correspondence address be re-dated and forwarded to the undersigned.

If necessary, the Commissioner is hereby authorized to charge to Deposit Account No. 50-0238 for any fees associated with this Petition.

Respectfully submitted,

CHEON-SUNG HWANG
